

STAR GAZING LAP QUILT SUPPLY LIST

Supplies can be purchased at All Brands at a 15% class discount

FABRIC:

- 1 yard dark quilting cotton (dark red in sample)
- 1-1/2 yards white or light quilting cotton (white in sample)
- 1/2 yard feature color quilting cotton (medium red-pink in sample)
- 1/2 yard binding fabric
- 3 yards 45" backing fabric (or 1-1/2 yards 108" wide backing fabric)
- 1-1/2 yards of 92" wide batting

To have your Lap Quilt fabric pre-cut, deliver it labeled with your name 2 weeks ahead of class. Pre-wash and shrink all fabrics (not batting). Press the first 3 fabrics and turn these in for cutting.

If you get your fabric one week before class you can check and see if we are able to squeeze in cutting your fabric. Otherwise, you will need to cut the first three fabrics yourself. Cut the first three fabrics into 9" squares and then diagonally. You will need 32 dark triangles, 48 white triangles and 16 featured color triangles.

OTHER SUPPLIES:

- Serger in good working condition
- Regular or clear presser foot
- 3 spools serger thread to match your fabric
- Rotary cutter and mat
- Basic Supplies including:
 - Pins or Wonder Clips®
 - Scissors
 - Seam Ripper
 - Chalk or temporary marker
 - Fray Block™, Fray Check™ or other seam sealant
- Optional: small iron and ironing mat

NOTE: Soft Day's Star Gazing Lap Quilt is available for the sewing machine as a free download on Craftsy. They also sell information on making a twin and queen size version. As a reminder, we are only pre-cutting fabric for a lap quilt. Manual cutting instructions are above if you want a larger quilt.
