

DOUBLE VALANCE WITH OPTIONAL CONTRAST CORDING SUPPLY LIST:

- Measure window to determine finished width (side to side) and length (top to bottom) of Valance.

For main top fabric:

- Use length measurement to determine amount of fabric for main part of valance, i.e. finished valance length 16' – purchase ½ yard of decorator fabric or 1 complete repeat of decorator fabric if repeat is larger than length needed.
- Decorator fabric must be at least 10" wider than finished width measurement or you will need to purchase 2X length.

For underneath contrast fabric:

- Purchase 3/8yd. of decorator fabric or 3/4yd. if fabric is not 10" wider than finished width.

Lining – 1 and ¼ yds of Roclon Drapery lining (54" wide)

Optional – 2 yds of Decorator Cord or trim.

Basic Sewing supplies: ruler, scissors, marking pen, pins, sewing machine with new size 14 needle
