

Inspirational Demo Learning Days

Sprinkled throughout each month this year are demo learning days! Join us for inspirational demonstrations on machine, embroidery, quilting, serger and accessories techniques! We will go over many items to help you start or refresh with stitching, quilting, serging, embroidery and sew much more. Sign up for one, two or all of them! 1 to 1-1/2 hour demonstrations with some hands-on student participation, no need to bring your machines. All levels of sewers and brand owners are welcome to attend these demonstrations!

Bring your Quick Reference & Instruction Book so that you can follow with the classes & techniques. If you own an Inspirational Book, bring that too!

⇒ **Instead of Binding—Wednesday, February 1st 10am & 2pm**

Want to save time completing your quilting or sewing projects? Instead binding, come see 3 methods using your machine or serger for a quick professional finishes. Machine satin corded edges, creative thread edges & wave stitch edges.
