

Zippered Bags Set

PRIOR TO CLASS:

purchase the design, available at All Brands

print the pattern instructions and bring to class

transfer the design to USB or to your embroidery machine

CUT and LABEL fabric and batting - use quilt weight cotton,

-do NOT use heavy fabrics or upholstery fabric

-for best results, press and starch your fabric using Best Press

cutting instructions are included with the pattern

-there are 11 different size bags, the cutting instructions are different for each size

Zipper

one zipper per bag

-the zipper size depends on which bag you are making, see pattern

- 16" will work for all sizes

Stabilizer

no show mesh sheer cutaway nylon, Floriani used in store sample-the bag will have a soft feel

embroidery machine

hoops - size depends on the size bag you are making, refer to the pattern. the size referenced in the pattern is the HOOP size, NOT the size of the finished bag

embroidery thread

pre-wound bobbins

embroidery tape

usual embroidery / sewing supplies

bring extra fabric and batting (Pellon 988 used in store samples), just in case you need to re-cut a piece or two

pre-cut kits including fabric, batting, swivel hook and zipper are available for the 5 x 7 hoop - let the store know if you want to reserve a kit prior to class

-kits will NOT include stabilizer and thread

Come early to set up !
