Machine Embroider by Number: Summer Popsicle

Did you ever count the days of summer in popsicle sticks? This Kimberbell original Embroider by Number project has us reminiscing of summer vacation when the only thing on our to-do list was “play.” With three layers of icy sweetness, the pieced popsicle block features crosshatch quilting on the large and medium sizes with optional ribbon loops for hanging. The small size is just right for a pin cushion, coaster, or ornament.
